BN-01 · GRANULES

Blue Bentonite

High-swelling sodium grade for drilling fluids, tunnelling slurry and geosynthetic clay liners.

Grain size, moisture, swell index and packing confirmed against your specification.

info@atlantixinternational.com | +91 82388 18189 | +91 88666 76837

BN-02 · GRANULES

Black Bentonite

Dense, high-bond clay for foundry green-sand moulding and ferrous metal casting.

Grain size, moisture, swell index and packing confirmed against your specification.

info@atlantixinternational.com | +91 82388 18189 | +91 88666 76837

BN-03 · GRANULES

Green Bentonite

Calcium-rich grade for animal-feed binding, agriculture and general soil amendment.

Grain size, moisture, swell index and packing confirmed against your specification.

info@atlantixinternational.com | +91 82388 18189 | +91 88666 76837

BN-04 · GRANULES

Brown Bentonite

Natural bleaching earth for edible-oil, lubricant and wax refining and decolourising.

Grain size, moisture, swell index and packing confirmed against your specification.

info@atlantixinternational.com | +91 82388 18189 | +91 88666 76837

BN-05 · GRANULES

Mixed Bentonite

Blended sodium and calcium grade balanced for civil sealing, pond and canal lining.

Grain size, moisture, swell index and packing confirmed against your specification.

info@atlantixinternational.com | +91 82388 18189 | +91 88666 76837

BN-06 · FOUNDRY GRADE

Bentonite Powder

Micronised, API-graded powder milled to 200 to 325 mesh for consistent, low-grit dispersion.

Grain size, moisture, swell index and packing confirmed against your specification.

info@atlantixinternational.com | +91 82388 18189 | +91 88666 76837

BN-07 · GRANULES

Soil Conditioner

Granular bentonite blend that boosts water retention, nutrient hold and structure in sandy soils.

Grain size, moisture, swell index and packing confirmed against your specification.

info@atlantixinternational.com | +91 82388 18189 | +91 88666 76837

BN-08 · CAT LITTER

Cat Litter

High-absorbency clumping bentonite for pet litter, with fast moisture lock and effective odour control.

Grain size, moisture, swell index and packing confirmed against your specification.

info@atlantixinternational.com | +91 82388 18189 | +91 88666 76837

BN-09 · PELLETS

Bentonite Pellets

Pelletised bentonite for iron-ore pelletizing, sealing and controlled-release applications.

Grain size, moisture, swell index and packing confirmed against your specification.
